

STULL FEEDERS WARRANTY

Your *Stull Feeder* is covered by a one (1) year Limited Warranty on material and workmanship from date of original purchase. Purchase must have been made through an Authorized Dealer. This warranty covers defects in workmanship and materials. This warranty does not apply to units damaged due to intentional abuse. Auger and Drag Feeder units are made for bolting to a flat surface. If mounted on load cells for a scale you must use extra metal between load cell and bottom of feeder for reinforcement. We offer this for each feeder. Our auger feeders will dispense most types of feed, but may not all. Warranty does not cover this issue. An Inline Fuse of 40 amps for 300/600 Auger Feeders and 60 amp for the 1,100 lb Auger Feeder and 600 lb Drag Feeder is recommended but not provided. A purchase from individuals, unauthorized dealers, or unauthorized internet sites voids the warranty.

THIS WARRANTY DOES NOT APPLY TO CORROSION, RUST, ETC. AFFILIATED WITH PRODUCTS USED CONTAINING EXTREME SALT CONTENT.

Return authorization must be obtained from Customer Service at 800-369-4131 prior to returning product.

www.stullfeeders.com

****NOTE:** There will be a 20% restocking fee on all returned feeders not associated to warranty issues.

PLEASE RETURN BOTTOM PORTION WITHIN 30 DAYS OF PURCHASE. THANK YOU.
